

Sizing your windows for Flat Cats

Using the image shown as a guide please take the following dimensions (in cm)

Measurement A = cm

Measurement B = cm

Measurement C = cm

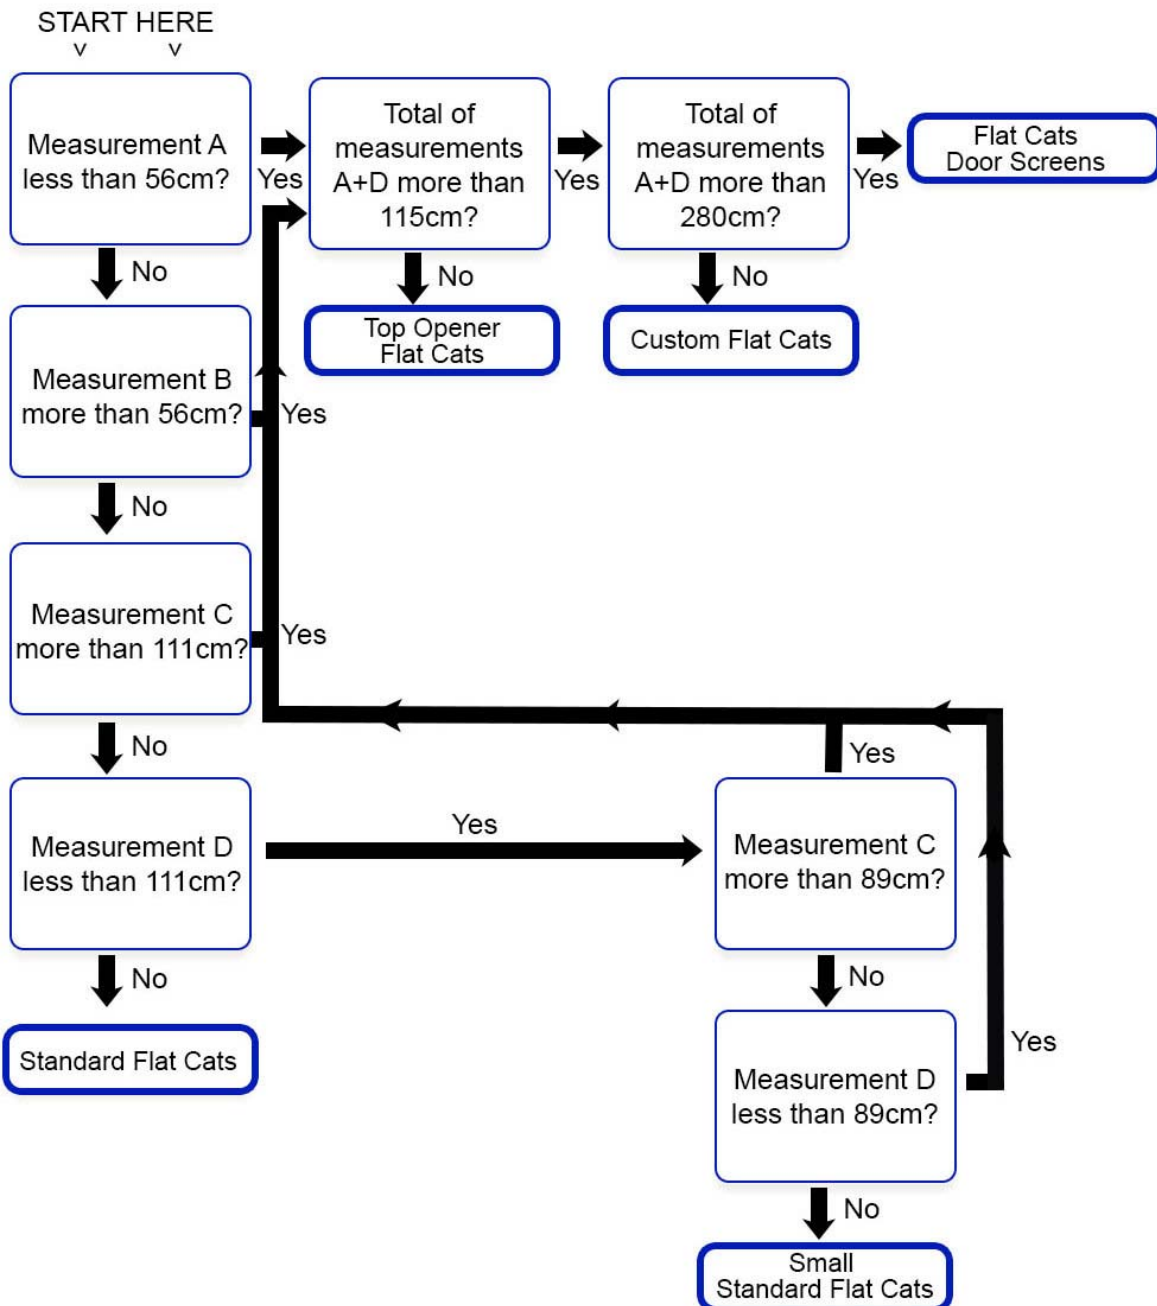

Measurement D = cm

Measurement E = cm

Measurement F = cm

Please note that measurements E&F are the widths of the flat static frames around the window. If either measurement is less than 2cm please call us on 01526 833660 before ordering.

Please follow the flow chart below to find out which Flat Cat you require

You should now be able to determine if you require a Standard, Small Standard, Custom or Custom Door screens. All these can be purchased directly from our website at <http://www.flatcats.co.uk>
